GUISADOS TACOS · 3.5

This is what we are known for! These tacos take us back to the days of our abuelita, guadalupe. In central mexico, she would make traditional guisados (braises) of our favorite meats, and vegetables. Slow cooked to perfection.

We'd eat them with **handmade tortillas**.

Today, we share this daily mexican tradition with you!

birria santa

slow cooked brisket, salsa verde, onions, cilantro

holy mole!

shredded chicken in mole negro, red onions, crema, cotija cheese

chicken tinga

slow cooked in chipotle, onions, pickled onions

cochinita pibil

marinated pork, slow cooked in banana leaves, pickled red onions

chicharron verde

fried pork, slow cooked in salsa verde, topped with chicharron, onions, cilantro
