GUISADOS TACOS • 3.5

This is what we are known for! These tacos take us back to the days of our abuelita, guadalupe. In central mexico, she would make traditional guisados (braises) of our favorite meats, and vegetables. Slow cooked to perfection.

We'd eat them with **handmade tortillas**.

Today, we share this daily mexican tradition with you!

bistek ranchero

slow cooked brisket, grilled potato smash, guacamole

holy mole!

cochinita pibil

chicharron verde
